

Alps and Black Forest 2023

4th to 12th SEPTEMBER 2023

Tour of French, Italian and Swiss Alps,
and Black Forest in Germany

8 Nights
/ 9 Days

A 'Guided Adventure' through the magnificent French, Italian and Swiss Alps, then topped off with the stunning roads and scenery of Germany's Black Forest. Â

The Trip

A new tour for 2023 focusing on the highlights from four countries. It takes in many of our favourite routes along with some introduced for the first time.

We will spend eight nights using four hotels, two of which are also new for this tour. Our accommodation ranges from 4* to 5* superior.Â

Exclusive Guided Tour System

GPS - SAT NAV

We don't subscribe to the rather archaic system of "here's some directions, see you at the hotel tonight". To ensure you enjoy the ultimate in stress free touring all cars on this tour will be fitted with our premium GPS Satellite Navigation units.

Our detailed and pre driven routes are loaded onto the units, you just have to select which day you are on and let the system guide you while enjoying the open road at YOUR pace. Even the petrol stops are pre loaded!
Â Â

RADIOS

All customers on this tour will enjoy the use of powerful licensed two way radios – these units are 8 times more powerful than the usual high street walkie-talkies and provide a method for the group to communicate with each other during the day.

TRAVEL PACK

Each car has a travel pack which includes – itinerary - summery route for each day – suggested lunch stop – petrol stops – hotel and local information including emergency numbers.Â

SUPPORT CAR

Staff from Driving Adventures will be on this tour to provide support throughout the duration of the trip.

The trip in more detail:

DAY 1

Monday 4 September 2023 -
Calais to Dijon, France (365
miles)Â
Â

We'll meet up early to catch the
Eurotunnel crossing to Calais to
begin our mile munching exercise
to swallow up a large chunk of
France. The last 80 miles of
this route is a cross country
delight!Â Â Â

We'll launch the first night of the tour in one of our regularly
used 4* Chateau which we've booked on a Dinner, B&B basis.

Day 2

Tuesday 5 September 2023 -
Dijon to Courmayeur, Italy (240
miles)

A real mix of terrains will be
covered on this full day of
driving.

We'll carve through the varying
terrain of Eastern France before
crossing the boarder into Italy
to use an award winning modern
5* hotel, new for this tour, in
Courmayeur nestling at the foot
of Mont Blanc.

We will be here
for 2 nights booked on a B&B

basis.

Day 3

Wednesday 6 September 2023-

Optional Drive - Alpine Loop
(115 miles)

Although an optional driving day, we really recommend you don't miss this. We will revisit routes not used by us for many years combined with some new passes which have been on the wish list for years.

We will enjoy stunning alpine views in both France and Italy.

Â

This route has been designed to get us back to Courmayeur for lunch in order to have time to enjoy this beautiful location for the afternoon and evening.

Â

Day 4

Thursday 7 September 2023 – Courmayeur to Lucerne, Switzerland (230 miles)

A day driving through Switzerland with scenery a plenty enjoying a variety of road types, and fortunately this route takes us past one of our favourite spots for lunch.

The day includes some favourite routes into Switzerland combined with some roads never travelled before.

Our 4* hotel for the next three evenings affords wonderful views of the beautiful city of Lucerne. We have booked this character accommodation on a bed and breakfast basis.

Day 5

Friday 8 September 2023 – Optional Drive - Damastock Loop, Switzerland (150 miles).

Today, although an optional drive, we strongly recommend you join in for this one.

It includes three of our favourite passes in Switzerland circumnavigating the Damastock mountain range. Although the mileage is quite low, these routes are very involving and therefore this is a full day route. We will have lunch in Andermatt.

Day 6

Saturday 9 September 2023 – REST DAY

After 5 days of involved driving and eclectic scenery, it's time to have a break from the car and enjoy the many offerings available in Lucerne.

Day 7

Sunday 10 September 2023- Lucerne to Baden Baden, Germany (150 miles)

Just a 50 mile drive takes us from Switzerland and into Germany. Offering up a completely different experience to the Swiss Alps, Germany's Black Forest enjoys miles of smooth tarmac twisting through spectacular landscape. Catch this region on a sunny day and it's a driving experience hard to beat. Â

Our last hotel of the tour, a wonderful 5 star superior brimming with character nestles in the stunning landscape of the Black Forest. We will be here for two nights.

Day 8

Monday 11 September 2023- Optional Drive - Black Forest Loop, Germany (115 miles)

For those who want to use their morning exploring the roads around the Black Forest, this is for you.

Designed to take in the highlights of the surrounding area, this route will return us for lunch to enjoy our magnificent hotel, which of course serves fantastic cakes in the afternoon.

Â Day 9

Tuesday

12 September 2023- Baden Baden to Calais, France (420 miles)

The final day is purely a mile eater to take us across the breadth of France to catch our late afternoon Eurotunnel crossing back to Folkestone.... and you'll be amazed how effortlessly you can cover this sort of distance in northern France compared to doing a similar distance using our motorways in England.

Until next time.....
